

SCHNEIDER TABLE TENNIS

ABOUT SCHNEIDER

Founded in 1949, the Schneider company is a traditional family business and has been manufacturing high quality commercial outdoor play equipment for over 70 years.

Designed for the outdoors, the heavy duty weatherproof table tennis tables are built to withstand the harshest environments and are a real eye-catcher with their shiny green surface.

The table top is constructed of artificial stone, made from green double-crushed finely ground chips; and then finished with a weather-proof sealer. The base frame is constructed of smooth exposed concrete.

FEATURES:

- Stable
- Weatherproof
- Tough and sturdy
- One-part top
- Sharp and clear colour separation (between green and white)
- Net: 6 mm hot-dip galvanised steel mesh which is bonded with the table top
- Theft proof due to weight
- Warranty
